

Installation factsheet

Take Over:

Should you already have useable wireless equipment from another provider, we'll bring you over to our network at a charge of R250 (an additional call out fee will be levied for outlying areas).

We need the following info:

1. A photo/picture of your inside and outside equipment.
2. Your location.

The information may be sent to 076 068 4967 via Whatsapp or SMS. Alternatively email to mywifi@mweb.co.za. If the information you sent us, is compatible with our systems, we will inform you accordingly and send you a quotation.

New Installation:

- ✓ To have our wireless internet installed at your business or home, give us a call and we'll do the installation.
- ✓ Installation fee amounts to R3 200.00 (VAT incl.) once off.
- ✓ This includes the Wi-Fi equipment, installation and setup, covering 20 to 30 metres in radius. A router can accommodate a maximum of 15 devices. If you are planning to resell, please ask for a resellers quote and state the number of devices that you wish to accommodate.
- ✓ The Wi-Fi connection is established directly after installation.
- ✓ Installations and switches include the connection of PC's, laptops, tablets, iPads, cellphones and any other wireless friendly devices on day of installation.
